This villa has been built on a plot of 1600 m2 in a green and residential area next to the 9-holes golf course and club house and the village of Altea la Vella with all its amenities. It is the ideal place to spend the summer and the mild winters. It has a large terrace with complete privacy which is partially covered and used as lounge terrace and an open sun terrace next to the private pool. On this floor is the big living room of more than 40 m2 with open fire and dining area next to the patio. The equipped kitchen with laundry room is adjacent to the patio as well as the guest toilet. On this floor is the master bedroom with extra room next to it which is currently used as study but can be converted into dressing room and bathroom en-suite. On the first floor is a corridor with 2 more good size bedrooms with a shared bathroom. Both bedrooms are adjacent to another terrace with wonderful sea views.
