BESCHREIBUNG

Spectacular unique style villa in one of the best areas of Altea La Vella. It is located in an area surrounded by nature and with incredible panoramic views. It has a large, easy-to-maintain plot and many pleasant corners to spend the day, with a pool and barbecue area. The main house is distributed over 2 floors, but also has a large entertainment room located in the semi-basement. The house has a large hall, living room with sea views, American kitchen with utility room, two bedrooms, two bathrooms, dressing room and office-office. It has underfloor heating in all rooms.
