BESCHREIBUNG

Prices from 550.000 €. If you are looking for a design house in the beautiful town of Moraira, this is your chance. These beautiful houses are built with the help of the best architects and materials in a quiet area of Moraira. You will have everything you need: beach, shopping, party, quiet... This house has a living area of 179 square meters. It will have a wonderful garden with private pool. Each house has its private parking spaces. Each of these luxury homes have two habitable floors. The ground floor consists of a large living room with the spacious and modern kitchen, and a bathroom. Upstairs there are three bedrooms and two bathrooms with high quality. So, if you are looking for an exclusive and elegant house on a quiet location this is what you are looking for. They benefit of pre-installation for alarm, video porter, airconditioning hot/cold, solar panel and heatpump.
