BESCHREIBUNG

This new build property has sea views. The main living floor consists of a spacious living/ dining with access to the pool terrace, a spacious kitchen, two double bedrooms with build-in wardrobes, both with access to the pool terrace and sharing a bathroom with a walk-in shower. On this floor there is also a guest toilet. An internal staircase leads to the second floor with a master bedroom with en suite bathroom, dressing and access to a private sun terrace. This property benefits of several terraces, covered and uncovered, double glazing, underfloor heating and two more levels with over 250 square meters, where the garage is located and with scope for further development and storage.
