BESCHREIBUNG

Spectacular unique style villa in Alfaz del Pi. It is a spacious house distributed on one floor, with a magnificent 12,000 m2 garden, surrounded by different types of tropical trees and fantastic views of the entire coast. This project has been carried out with the most current comforts and high-quality qualities. It is distributed in a total of 5 bedrooms (all of them with bathroom en suite), double living-dining room, kitchen with island (Miele appliances), large covered and open terraces, garage for several vehicles and a fully equipped summer kitchen. Its special design and the warmth that has been created in this property, allow you to enjoy this fantastic home both for long periods and for vacations.
